

# Make it Marlborough Business & Community Group Directory Listing Guide

Marlborough is a region brimming with individuals, businesses and community groups worth celebrating. We know you are one.

We invite YOU to be part of the **Make it Marlborough Business & Community Group Directory** – a FREE guide to local businesses, products, services, experiences and community groups designed to show Marlborough people how easy it is for them to support local.

Here is how you can create a self-service, online listing to benefit from the Make it Marlborough campaign.

If you already have a tourism listing on MarlboroughNZ.com, you will simply need to let us know so we can include you in the Make it Marlborough category. Please email [info@marlboroughnz.com](mailto:info@marlboroughnz.com) with your business listing URL to have this done for you.

## FOLLOW THESE THREE EASY STEPS:

**STEP 1 REGISTER:**  
Head to [www.marlboroughnz.com/operators/register](http://www.marlboroughnz.com/operators/register)  
Input your details in the registration form

**STEP 2 CREATE LISTING:** When prompted on the use of Bookit, **select NO** (unless you are a tourism operator using the Bookit system)  
In the category section be SURE to scroll down to 'Make it Marlborough' and then choose your industry.

**STEP 3 UPLOAD YOUR IMAGERY:** If you do not have anything for a section – just skip this. Please note imagery takes a while to upload, and your listing will take a while to populate – if you don't see it immediately come back in 15 mins and check.

**Be sure to record your login details in a safe place so that you can manage your listing in days to come. We encourage you to keep this regularly updated so that all information on there is correct.**

Make it Marlborough is a marketing collaboration between Destination Marlborough and the Marlborough Chamber of Commerce, supported by the Marlborough District Council, and designed to drive business to the local economy, to enliven townships and to engage proud Marlborough advocates.

*We invite you to join the team . . . dream it, do it, make it marlborough.*
