

SATURDAY
11 FEB

Are you in?

The Marlborough Wine & Food Festival is back and better than ever for 2023

Can you get on board in ways your customers and community will appreciate?

From any time in **January through to Saturday 4 February 2023** we are asking Marlborough businesses to showcase and celebrate all there is to love about our wine, people, food, and landscapes.

ALL YOU HAVE TO DO IS...

Help us celebrate!

This could be by creating a window display that celebrates Marlborough's wine, people, food and landscapes. Or a social media competition with your followers. Perhaps a 'shop in store' incentive/special deal?

THREE double passes are up for grabs!

For terms and conditions, scan the QR code below.

Scan the code below and let us know what you will be doing, and you are in the draw!

THERE ARE OTHER WAYS YOU CAN GET INVOLVED TOO...

- Create festival weekend specials.
- Partner with your favourite local winery to offer incentives or packages to attendees – or 'on the day' specials for those passing through.
Are you keen to offer something, but don't know who with? Register your interest by getting in touch with events@wine-marlborough.co.nz – we may be able to pair you with wineries and businesses to offer package deals to attendees.
- Display a poster in your shop front window or at the counter, if you haven't had one delivered, let us know here: events@wine-marlborough.co.nz
- Share your efforts online and tag us in your social media content [@marlboroughwinefestival](https://www.instagram.com/marlboroughwinefestival) [#marlboroughwinefestival](https://twitter.com/marlboroughwinefestival)

Look for our GIFs online too to add to your social media content – search 'Marlborough' to find them.
